DIRECTIONS & ARRIVAL INFORMATION

DIRECTIONS

As you drive onto Mount Desert Island, bear right at the light located at the head of the island. This will be Rt. 102 heading towards the village of Somesville. Approximately 4 miles down 102, you will enter downtown Somesville. Don't blink, you might miss it! You will see a bank and post office on the right, and a gas station on the left. Continue straight through the light. In uptown Somesville, you will see the fire station on your right and the Acadia Theater on your left. Take a right here, at the blinking light, on to Pretty Marsh Rd. After 1.3 miles, there will be a sharp turn in the road to the right. **SLOW DOWN!** You will see the canoe rental on the right, and Long Pond on the left. Take a right here on to Whitney Farm Rd. Fern Way is the second house on the left; there are two mailboxes and a garbage box. Continue to the end of the driveway. While it might be tempting to drive on our lawn to unload your personal belongings, all of our utilities run under the lawn and the weight of a car caused extensive damage in the past. If you have any trouble finding the house, call us at (207) 244-0066 or (518) 496-9621. Please remember that check-in time is after 4 p.m. This allows us enough time to fully prepare the house for your arrival.

WHEN YOU ARRIVE

The house will be unlocked and on the kitchen table you will find the house key, a welcome letter with instructions pertaining to the house, and a file box chock full of menus from local restaurants, brochures, maps and other helpful information about the area.
